Pupil Premium

Pupil Premium is additional government funding for pupils who are either children in care or perceived to come from disadvantaged backgrounds and therefore qualify for Free School Meals. This funding is then used to boost the learning of pupils so that the gap between learners is narrowed and all pupils are then able to reach their full potential.

Evidence shows that the most effective schools achieve best outcomes through high quality teaching, strong leadership, a relevant and coherent curriculum, a culture of high expectations and targeted catch-up and enrichment activities. Intrinsic support in the basics can enable children from disadvantaged backgrounds to catch up with their peers. Schools also influence how parents support their child's learning and behaviour as they grow older and their needs develop. They can also help parents understand the breadth of possibilities open to their child and how their child can achieve their aspirations.

Pupils who receive pupil premium funding will benefit from one or more of the following additional provisions:

- Therapy interventions
- Further enrichment opportunities
- Amazon Kindle Fires
- Counselling
- 1:1 interventions for Literacy and Numeracy
- Small learning groups or increased level of support
- Alternative curriculum
- Purchase of equipment/software to support learning
- Revision guides
- Extra support in some lessons from support staff
- Support for behaviour
- Magazine subscriptions
- Cultural/enrichment trips
- Educational trips
